By permission of the Meeting Mr. Crump invited attention to the position of the Clubs of the United Kingdom of Great Britain and Ireland, in respect of soldiers and sailors :—

The Football Association has found it necessary to adopt rules forbidding a soldier whilst serving with the colours, or a sailor whilst serving in the Royal Navy, being approached by any club or person without at least 14 days notice to the Commanding Officer ; and a soldier or sailor whose discharge is obtained by purchase, being registered as a professional till 12 months has expired, or being allowed to play as an amateur during that period without the permission of the Association.

The Associations of Scotland, Wales, and Ireland were earnestly asked to adopt similar legislation, and were assured that the Football Association will be pleased to give further information, or assistance, with a view to bring this about.

Mr. Crump gave notice that at the next Meeting of the Board he will direct attention to the fact that the order of the provisions of the last sentence of Law 6 is not the same in the Handbook of the Irish Association, as in the books of the other Associations ; and will propose that this anomaly be remedied.

A vote of thanks to the Chairman and Secretary was passed unanimously.

BARON DE LAVELEYE, Chairman.  
C. A. W. HIRSCHMAN, Secretary.
